496 Rebuilt Reversing Units

*666/1666,
*with Light Socket.
*with Light and Cut-Off Switch,
*with Cut-Off Switch and No Light,
may have insulator without switch, this type will fit Commodore Vanderbilt and Mercury Engines
*333/1829 Non-Smoking Engines
*E-7 and 21 Diesel Type
$24.95 ea.

496J **Serviced Reversing Unit Coil**, this was also used on some accessories $3.00

496R **Bottom Reversing Unit Rocker Assembly only** $12.00

500 **Eyelet** for Prewar reversing Switches 12/$1.50

New and Used Motor Parts

U1 Field Coils with Side frames and hardware

A: early prewar with recessed brushing holes $8.00

B prewar with round bushing holes, single reduction $7.00

C postwar, bushing with flat side, Single Reduction $7.00

D postwar, bushing with flat side, double reduction $7.00

F 62/6000 diesel type, single reduction, Includes Top Shoulder bolt and Washer $10.00

G 1998 field Coil Assembly .144 Gear Shaft $8.00 With complete gear cluster $15.00

H postwar motor side plate $1.50

J prewar motor side plate $2.00

K early prewar side plate with recessed bushing holes $3.00

M Late E-7 Aluminum Field Coil with all 3 Gears Included, compound, (2) 26T C-7 $14.00

N Early Prewar 4 wheel with Reversing Lever, does not include the reversing switch C-7 $9.00

P Early E-7 type with metal top mount, includes all 3 gears for double reduction drivers C-6 $12.00

U2 Reversing Units

See part # 496

U3 Armatures, Cleaned, Tested, and Turned

A **early prewar armature** with Tall Bronze Bushing, 10 tooth gear C-6 or 7 $9.00

D **333/1829 non-smoke** Armature, .121 inch shaft. C-7 $9.00

E 1998 or diesel Armature, Tall 10 tooth gear specify nylon or bronze bushing C-7 $10.00

F 471 Bronze bushing used armature, C-7or 8 $9.00

G 471 Nylon bushing used armature, C7 or 8 $8.00

K Armature Shaft, 10 Tooth Gear, Nylon Bushing And Washer assembly C-8 $3.00

U4 Brush plates

B **333/1829** New or Used depending on Availability $12.00

C **early prewar tubular type** with new or original brushes and springs, depending on availability $12.00

D **Handcar Brush Plate,** includes brushes and Hardware $8.50

E **(N30)** New original brush springs $3.00 a pair

U5 Motor Pickup

A Rebuilt Used Postwar Pickup Assembly $12.00

C one way motor shoe, used $2.50

D **Prewar 3-Piece,** used $12.00
Materials will vary depending on what was available at the time of manufacture. May have bronze, brass or steel contacts

E prewar bare Insulating Plate, new or used, depending on availability $3.00

U8 Motor Gears

U8A New Old Stock **Double Reduction Gear Set** For **666/1666** and other double reduction motors 34/14 $12.00 /pair

U8B used double reduction gear 34/14 For **666/1666 motors** $3.00 each

U8C Used **1998 or E-7 Gear Set,** .173 Shaft $8.00

U8D New Old Stock **1998 or E-7 Gear Set,** .173 Shaft $15.00

On compound gear setups, used, on E-7 and 1998 motors, 2 different shaft sizes were used on the main gear, .144 & .173

U8E Used Metal Gear that goes in between the drivers on 333/1829 non-smoking motors C-6 or 7 $5.00 each

U8F Used 1998 or E-7 Gear set .144 shaft $12.00

New Old Stock HO Gears

MG10 22 tooth nylon ho gear $2.00

MG11 25 tooth nylon ho gear $2.50

MG12 nylon worm gear shaft with 18 tooth gear $3.00

MG13 nylon worm gear shaft with 22 tooth gear $3.00

MG15 6096 Bottom Drive Gear $6.00

U11 Used Motor Mounts (includes screws)

A angled ends with sheet metal screws, $2.50

B angled ends with machine screws $3.00

C 1666 rear mount $2.00

D 490 top snap mount $2.00

F 1666 no smoke front mount $3.00

G 490 rear coupler plate,
Specify One-Way or Reversing Motor $3.50
H 400 rear coupler plate,
Deluxe Reversing Motor Only $4.00
I 591 Rear mount with drawbar $4.50
J 591 Front mount for a one-way motor $4.50
K Short Rectangular Diesel Engine Front Motor Mount $9.00
O Rectangular Front Mount used on Commodore Vanderbilt and 994 Mechanical Wind Up Engines, Spacing is not correct for electric motors $6.00

Some repro front GE 70-Ton mounts are available, may require fitting $10.00 ea.

Hook Up Wire

U12 Solid Core for general Hook Up
Black Insulation $0.40 / Foot
U12A MP58 Solid Core 22 Gauge with Black Fabric Insulation, used on Prewar Motors $0.85 / Foot
U12B 105 Stranded Super Flex Cable for Pickup Assemblies, Black Insulation $0.60 a Foot
U12C 24 Gauge Red Super Flex Cable used on some Lionel Pickup Assemblies $0.60 a Foot

Multiple Condition Listing
Means that More Than One item is Available.

New & Used Drivers, Trucks, Wheels

336 **prewar 10 spoke drivers**, used
A: plain $8.00
B: plain with post, $10.00
C: geared $10.00, if
D: geared with post, $8.00
E: Immediately Postwar 10 Spoke Driver set, includes (4) Drivers, Side Rods are random Postwar axles and bearings, $36.00
F: Prewar 10 Spoke Driver Set, includes Bearings and Axles $36.00

338 **Baldwin type drivers**, used $3.00 ea.
May have axle or side rod still attached
A: plain
B: plain with post, may still have side rod
C: geared for Single Reduction
D: geared with post for Single Reduction
E: Recessed Gear for Double reduction
F: Recessed Gear with Post for Double reduction
G Double Reduction with Traction Tire $5.00

333/1829 Drivers and Parts

MP1F 333/1829 Non-Smoking Center Plain Driver, used, C-7 $3.00 each
MP1G 333/1829 Non-Smoking Center Geared Driver Used, C-7 $3.00 each
MP1H (3) used axles, non-smoking C-7 $6.00
MP1L Geared non-smoking driver C-6 or 7 $4.00 each

6000/62 Drivers and Trucks:

MP2 6000/62 Diesel Single Reduction Geared Driver, used $2.50
MP2A 6000/62 Diesel, Double Reduction Driver N.O.S. $8.00 each
MP4 **6000/62 Front Frame, Light Bracket**, and Truck Includes Bulb, C-7 $10.00
MP4A **6000/62 Front Frame and Truck** C-7 $7.00

Mechanical Windup Drivers:

MP5 set of 17 spoke steam windup or battery drivers, C-8 $4.00
MP5A Black hollow metal wind up wheel, C-8 $5.00
MP5B Pair of tinplate wind up plain drivers C-7 $7.00
MP5C set of 4 Hollow Tinplate Drivers, Straight Side Rods, Plating remains, C-8 $26.00
MP6 Set of Tinplate Hollow Drivers for a steam engine , dull gray, C-7 $12.00
MP6A Hollow Tinplate rear driver with side rod, C-7 $4.00

666/1666 Drivers

MP7B Pair of Rear 666/1666 rear drivers with Side Rods, No Smoke C-7 $7.00
MP7C Pair of 666/1666 Rear drivers, Side Rods with Pins for a Smoke unit C- 6 or 7 $7.00
MP7D Pair of 666/1666 Rear Drivers with Pins for a Smoke unit, light embossing on rods, C-7 $7.00
MP8 666/1666 rear Driver with gear and side rod with Smoke Unit pin, C-7 or 8 $4.50
MP8A 666/1666 Rear Driver, Plain with Side Rod with Smoke Unit Pin C-7 or 8 $4.50
MP9 Complete set of drivers with pins for a 666/1666 C-8 $14.00

Diesel Trucks and Drivers:

MP10 **62/6000 Metal Diesel dummy truck** with curved mounting plate (dummy, rear) C7 $8.00
MP10A **62/6000 Dummy truck** with small rectangular top mount, and coupler (Dummy Front) C-7 $8.00
MP11 **E-7 Truck,** silver side frames, shorter tab coupler, includes top plate C-7 $8.00
MP11A (4) wheels and (2) axles from a **E-7** Dummy Truck, C-7 $4.00

Electrical & Mechanical Parts

MP46 666/1666 Smoke Unit $12.00
MP46A Steam Chest Smoke Unit, will only fit engines With piston side rods, C-7 $20.00
MP46C **Steam Chest Side Smoker Kit,** includes Rear Drivers with correct Side Rods with piston, (2) new Bearings, and the Steam Chest Smoke Unit C-8 $46.00
MP46D Black Plastic Flapper that is on the bottom of a Smoke Unit C-7 $4.50
MP47 **Diesel Roar Unit** C-7 $20.00
MP48 **333 lamp bracket**, C-7 or 8 $7.50
MP48C **miniature clear tubular bulb,** 5/8" with (2) 6" white leads, rated at 10V, seems to take full transformer power, can be used for scratch building $1.25 ea.
MP48D **larger clear tubular bulb, ½" x 5/16" with 2 white leads,** will handle full transformer power $1.25 ea.
MP48E **screw base lamp socket with mounting bracket,** (ground terminal) and a hot terminal $0.75 ea.
MP48G **1816 13 Volt Bayonet Bulb**, Tall Glass, elongated $0.75 ea.
MP49H **18V / 150ma Bayonet Bulb, elongated**, can use full power of a Marx transformer, $0.50 each
MP49A (1) Cast Metal Crank for a **5590** deluxe crane C-8 $5.00
MP50 Action Lever, Spring, and bushing/Solid Rivet for mounting, Erie Log Dump Car, C-8 $6.50
MP50A Action Lever, Spring and Clip with Hardware for An **Erie Log Dump Car** C-7 $8.50
MP51 **4583 revolving searchlight** Hood and Yoke, includes Geared Wheelset, C-8 $35.00

WmCrooks parts:

MP52D **Smoke Unit Assembly** with slide, rebuilt, includes piston, correct rivets for reassembly are included C-7 $20.00
MP52E **Front Truck Assembly** with Front Motor Mount C-7 $17.00

Continue:

MP53 Original **threaded wind up key**, C-7 $7.00
MP53A Commodore Vanderbilt **Headlamp Bracket** C-7 7.50
MP54 Both Spring Clip and Action Lever for a Erie Log Dump Car, includes long return spring and Attaching Hardware C-8 $9.00
MP54A Original **Log Dump Spring and Spring Clip** for the Platform C-7 $5.00
MP54B **Action Lever** Only for the log dump or action car C-6 $4.00
MP55 **Single Reduction Motor Tune up Kit**, Nylon single reduction Gear, Brushplate nuts, Brushes, springs, brushplate screws, postwar pickup spring, $11.00

Side Rods:

MP56 side rod with crosshead, **CP / 999,** C-6 or 7 $4.00 ea.
MP56A side rod with crosshead, **CP / 999** rough C-5 or 6 $2.00 ea.
MP56B Pair of **Long Straight** Side Rods, C-8 $8.00
MP56C **Long Straight** Side Rod C-7 $3.00 each
MP56D **401** type Wind Up Side Rod, used with 17 spoke Drivers, C-7 or 8 $2.50 each
MP56F **Gray** Straight Side Rod,(not plated) C-7 $1.00 each
MP56G **490** type Side Rod C-7 $2.00 Each
MP56H **1829** Straight Solid Side Rod C-7 or 8, $4.50 ea.
MP56J Small Rod used in the Valve Gear for 333/1829 Steam Engines, used, dull plating C-7 $1.50 Each
MP56K Used **333/1829** Main Side Rod C-6 or 7 $2.00 ea.
MP56L Side Rod Shoulder Bolt with Large Head for **333/1829** Engines, C-6 or 7 $1.00 each

MP56S **1666 / 666** with Smoke Side Rod with Post to operate smoke unit, C-7 or 8 $3.50 each

Continue:

MP57 **Complete Switch** for a 3V Battery Steam Engine, top mount, C-8 $6.00

MP58 5 gears and a lever from a running wind up motor, C-8 $6.00

MP59 **Main Spring and Clutch** for a prewar mechanical Wind up motor, for those of you that are crazy enough to work on wind up motors, came from a working motor with tinplate wheels, C-7 $8.00

MP60 **Main Spring and clutch**, from a working motor, Oval hole on the end of spring, C-8 $8.00

MP61 Attached **Wheelset** with a long axle for a Metal Diesel C-7 $4.00

MP62 Original Front Steamchest weight for a **999** or **Canadian Pacific** Engine C-8 $7.00

MP63 **Sound Clip** for 490 and probably other engines C-7 $2.00 ea.

MP64 **62/6000** Diesel Lamp Bracket, C-8 $5.00

MP65 **21** Diesel Cross Brace C-7 $3.50

MP66 **E-7** plastic diesel cross brace, C-7 $2.00 ea.

MP67 **E-7** Lamp Bracket, Original C-7 or 8 $5.00

MP67A Top Mounting Plate for a **21 Diesel,** includes Mounting hardware, C-7 $7.00

MP68 **Canadian Pacific** 0-4-0 front steam chest for a 0-4-0 C-6 or 7 $4.00

MP70 Cab Weight for **1666** C-7 $2.00

MP71 New 401 Plastic Steam Engine Front weight $1.00 ea.

MP72 Rear Battery **Hold Down Spring** for a Battery Steam Engine C-6 or 7 $4.00

MP73 Cab Weight for a prewar **Canadian Pacific** engine, C-8 $8.00

MP74 Front Weight with Lamp Socket for a Non - Smoke **1829 motor** C-7 $9.00

MP74A Front and Rear Weights for a **1829 Smoking Motor**, Rear of front weight has been drilled C-7 $12.00

MP75 **Late E-7 Cast Weight,** goes over the whole motor, C-7 $10.00

MP76 **E-7** internal motor weight, C7 or 8 $4.00

MP76A **21** Diesel Rear Motor Weight C-7 or 8 $4.00

MP77 Sparkler Wheel, C-7 or 8 $5.00

MP78 Bottom Cover Plate for a Wind Up Motor, C-6 $3.00

Couplers & Frames

MP79 Plastic **Knuckle Coupler** , used for Six Inch Cars used originals, C7 $1.50 ea.

MP79A **Short Metal Tilt Coupler**, used with spring, C-6 or 7 $6.00 each

MP79B **FM Small Metal Diesel Front and Rear Mounts,** Rear Mount includes drawbar, Front mount includes a hamade coupler but is not mounted, small extra hole s drilled for ground, Light Gray in color, C-7 $15.00

MP80 **knuckle coupler** for plastic gondolas, or cars with type G trucks, Used $1.50

MP80A WmCrooks Tender **Drawbar** C-7 $2.00

MP80B **Steam engine rear Drawbar** tab & slot coupler C-6 or 7 $1.50 ea.

MP80C Used prewar **twist type tab & slot** coupler, C6 or7 $1.50 ea.

MP80D Used twist type **tab & slot coupler** with dimple, C6 or7 $0.75 ea.

MP80E Rear Coupler and plate for a **62/6000 Diesels**, large washer, Shoulder bolt, C-7 $7.00

MP80F used **tab & slot coupler**, used on plastic 4 wheel cars, specify .166 (11/64) or .209 (13/64) Metal couplers are also available $0.75 ea.

MP80G **Short Tab & Slot Coupler** with Short Mounting Plate for **6000/62 Diesels** and others, C-7 $6.00

MP80H **Short Tab & Slot Coupler** with Long Mounting Plate for an E-7 Diesel Engine, C7 $6.00

MP80J Used **Plastic Tilt Coupler**, C-7 $0.75 Each

MP80K Used **Metal Tab & Slot coupler**, may be bare metal or plated black, C-6 or 7 $1.00 each

MP80M **Knuckle Coupler** for a 4 Wheel Plastic Car Large Diameter Hole, 209 (13/64) $0.50 Each

MP81 Long Rear **Drawbar** for a **994** Steam Engine C6 or 7 $5.00

MP81A **1829 Rear Draw Bar** C-7 $5.00

MP81B New **333 Rear Draw Bar**, (K-Line Part), or decent used $6.00

MP81C New **Steam Engine Draw Bar** from the New Marx Trains, 1/4" shorter than the original draw bar, pulls the tender closer so that the fireman does not have to work so hard, $2.00 ea.

MP81D Slope Back Tender **Draw Bar**, Has 2 holes to adjust length, used C-7 $1.00 each

MP82 used **metal tilt coupler**, $3.00 ea.

MP82B New Old Stock **Plastic Tilt Coupler** $2.00 ea.

MP82C new old stock **Notched Plastic Tilt Coupler** for a Diesel Engine, $2.00 ea.

MP82D Rear Coupler/**Drawbar** for a **666/1666** Steam Engine C-7 $2.50

MP82E Silver plastic **knuckle coupler**, repro $1.50 ea.

MP82F **Prewar Scissor type A Coupler** C-6 or 7 $6.00

MP82G **Prewar cast metal post Type A coupler,** C-6 or 7 $4.00

MP82H **Early Prewar Sheet Metal Post Type A coupler** C-6 or 7 $5.00

MP82J **J-Type 21 Diesel tilt coupler,** C-6 $5.00

Rolling Stock Frames, includes wheels & Axles

MP83A **wind up 6" frame**, sliding couplers, plastic wheels, C-7 $4.00

MP83B **6" Tender Frame,** Tab& Slot, Knuckle couplers, Metal wheels C-8 $8.00

MP83C **Deluxe 8 inch plastic boxcar frame** with type F trucks, Topside is olive drab C-7 $15.00

MP83D **6" dump car frame**, nice brass deck, supports are there, tab & slot couplers, C-7 $10.00

MP83E **Early Silver and Black Bare Litho Frame,** No Rust, does not include wheels or couplers C-7 $7.00 C-5 or 6, some rust $5.00

MP83F Complete Black **Joy Line Frame** with Couplers and wheels, sides are painted flat black, C-6 $18.00

MP83G **Type A Frame** with one-way couplers and trucks, C-6 or 7 $16.00

MP83H **Complete Wedge Tender frame**, with trucks Metal tilt Couplers, includes 2 Weights, C-8 $12.00

MP83 I **Wedge Tender** 4 Wheel Frame C-7 $8.00

MP83J Complete Black **Joy Line Frame** with Couplers and Wheels C-6 $22.00

MP83L Black **6" Frame**, Riveted Tab & Slot Couplers, Metal Wheels C-7 or 8 $8.00

MP83M Black **6" Frame** with original truck load clip, Knuckle couplers, C-7 $15.00

MP83N **Six Inch Plated Frame**, includes Prewar sliding couplers, metal wheels and axles, some plating still remains, C-7 $8.00

MP83P **Black 6" Crane Frame,** includes eyelet, C-7 $10.00

MP83T **Prewar Six Inch Frame** with Wheels, No Coupler Pockets, Holes for Crane Clips, Tab & Slot Couplers, Late 30's C-7 $9.00

MP83U **Six Inch Observation Frame**, Includes Wheelsets, Rear Lamp socket, New unplated coupler, repro Lamp cover, for 94A or 94B pickup, Tabs are solid, use a 94A or 94B pickup, C-6 $12.00

MP83W **Thick Metal Rectangular frame** for a 1951 Deluxe Tender **5** 9/16" x **1** 3/4" C-8 $4.00

MP84C **Scale Caboose Frame** with steps and toolbox C-7 $3.00

MP85 **961 slope back tender frame** with type F trucks, C-7 $12.00

MP85A **1951 Rectangular Metal Plate frame** with Black Scale Trucks, Tab and Slot on one end, Plastic Tilt Coupler on the other, C-7 $12.00

Accessory Parts

MP90A **421 Parts:** Plastic Crossbuck, Stop sign, (2) red Lenes, (1) Gray Lamp socket, C-8 $4.00
MP90B **439 Semaphore Nickel Ladder**, C-7 or 8 $3.00
MP90C Long and Short **Fahnstock Clips** for a plastic tower, C-7 $3.00
MP90D **Square Stop on Signal sign**, (2) hot and (1) ground terminal, (2) nickel Visors, C-8 $5.00
MP90E **Single track connector and a repro 1 ½" Rail Clip,** for a bell ringing accessory, $7.00
MP90F Single **track connector** and 2 original 1 ½" Rail clips C-7 $11.00
MP90G **Top Round Cover (Hood)** for a 406 Prewar Crossing Signal C-8 $8.00
MP90H **Top Round Cover, (Hood)** black sides, and nickel C-7 $7.00
MP90J **(2) Early Metal Floodlights** with wire leads, **Green Yokes**, C-7 $15.00
MP90K **Lamp assembly** only for a 439 automatic semaphore, Black Zinc, C-7 $3.00
MP91 Repro Roof for the **1420 Crossing Shanty** does Not include the stack $10.00
MP91A Roof for the **1420 Crossing Shanty,** includes the stack, C-8 $12.00
MP91B **Base** for an Early Prewar **Battery Operated** Accessory, Green with switch C-7 $6.00
MP91C Large **Red Plastic Searchlight** with Yoke, Original Glass Lens and Ring C-8 $12.00
MP91D **Large Red Plastic Searchlight with Yoke,** Many available, repro lens and ring, rebuilt, C-7 or 8, $9.00 each
MP91E **Bell Assembly** from a 421 plastic signal, C-7 $6.00
MP91G Original **074 plastic street lamp globe**, C-8 $2.50 ea.
MP91H Original **074 plastic street lamp globe** Yellowed C-7 $1.50 each
MP91J **Track Connector for a 417** Bell Ringing Crossing Signal, C-7 $4.00
MP92 **Rear cover and Handle** for the large metal searchlight, C-6 or 7 $4.00
MP92A **2 Light Lamp Cover** for a Block Signal, Black with Nickel Visors, C-7 $4.00
MP92B Block Signal **Switch Lever assembly**, 2 position C-7 or 8 $3.00
MP92F Top Trim for a large Metal Searchlight, C-7 $3.00
MP92H **405 Block Signal Parts,** Switch assembly with rheostat, Nickel Ladder, Base and Faceplate, C-7 $10.00
MP92J **439 Semaphore** complete flag and Light assembly C-7 $6.00
MP92K **439 Semaphore,** complete Flag, with lamp housing, Ladder and Nameplate, C-8 $9.00
MP93 Crossing Gate from a **2900 Prewar Glendale Station**, C-6 $5.00
MP93D Pair of **Cross Plates** for the bottom of the Metal Gantry Crane, or Metal Trestles, can use a repaint, C-6 $10.00
MP93F **Tubular Coil** for a scale **439 semaphore** C-8 $7.00
MP94B Gate, Spring, Jewel, cross buck for a **438** gate C-8 $7.00
MP94F Metal Cross buck for a **438** crossing gate C-7 $3.00
MP95 new **438** crossing gate base $3.00
MP95A replacement jewel and ring that goes on the gate, for the **438** metal crossing gate, New **(264)** $2.00
MP95D **417** Black plastic lamp cover for a single light Plastic crossing signal C-8 $4.00
MP96 Repro Glen Dale Sign for the Plastic Railroad Station, Gray with Black Lettering $3.00 ea.
MP97 Hood for a Prewar **406** Railroad Crossing Signal, C-8 $9.00
MP99 Plastic **Tower Section** for a **2920** Switchman's Tower, Cream colored, C-8 $5.00
MP99B Roof with stack, Bottom Cover, and original Gate for a **1420 Crossing Shanty**, C-8 $14.00
MP99C **Yard Board** for the plastic switchman's Tower C-7 $4.00
MP99D **2920 Switchman Tower parts:** Roof, Lower Staircase, Yard Board, Windows and door frames, (2) Figures C-8 $15.00
MP99E **2920 Switchman Tower Parts:** Roof, Complete Staircase, 1 Figure C-8 $15.00
MP100 Pair of signs and an original Chimney from a **Girard Whistling Station** C-7 $8.00
MP101 **Ladder** for the revolving searchlight towers, C-7 or 8 $4.00
MP101A 10" gray **tower section** for searchlight towers, C-8 $4.00
MP101B Gray **tower section** and black base for a Revolving searchlight tower, C-7 $7.00
MP102 **0416** 4 Light floodlight tower ladder C-7 $4.00
MP103 Maroon **Post** for the 6104 plastic station platform C-8 $3.00
MP103A Dark Brown **Post** for the 6104 plastic station Platform C-8 $3.00
MP104 **423** Crossing Flasher parts, Nickel Visors, Crossbuck, Stop Sign, C-7 $6.00
MP107 airport **hanger door**, C-8 $3.00
MP108 airplane **propeller,** 2-½" wide, metal with rib, for prewar wind up airplanes, C-9 $8.00 ea.
MP109 **(4) small floodlights** from a 0416 floodlight tower, does not include bulbs, C-7 $8.00
MP110 **lamp holder**, similar to 417, but has a porcelain body, can be used for lighting up buildings $2.50 ea.
MP130 **Motor mounts** with a new clip for the Girard whistling station C-7 $6.00
MP131 Girard Whistling Station **Signs,** C-7 $4.00
MP132 Cut off used **Platform and Fahnstock clips** from a revolving beacon tower C-7 $6.00
MP133 Gray Plastic Water tower **Spout** C-8 $3.00
MP133A Red Plastic Water Tower **Spout** C-8 $6.00
MP133B Black Plastic Water Tower **Spout** $3.00
MP134 Metal **Stop on Signal Sign** for a crossing signal C-8 $3.00
MP137 One Side for a **392** Farm scene Tunnel C-7 $3.00
MP138 **438** Crossing **Gate and Spring** C-8 $5.00
MP139 Original Nickel Hot & Ground **Terminals,** C-8 $3.00
MP140 Black **Face Plate** with 3 Lamp Sockets for a Block Signal C-7 $4.00
MP142 Plated **Metal Platform** with 2 Yokes attached for a 416A Metal Floodlight Tower, unused C-9 $5.00
MP143 Main Street Sign for a **429** Street Lamp C-6 $2.00
MP144 Black Faceplate and top Fennel for a **464** Block Signal, C-8 $5.00
MP145 **Lampshade** for a 419 or 429 Streetlamp C6 or 7 $2.50 each
MP152A Black Round Head for a **420 Circuit Breaker** C-7 $6.00
MP155 Original Track Connectors for a **418 Bell** C-8 $6.00
MP155B Nickel **Base for a 418** Bell C-8 $4.00
MP156 Silver **Post for a 6104** Plastic Station Platform C-7 $2.50
MP156A Dark Brown **Roof** for a 6104 plastic station Platform, C-7 $2.50
MP157 **3812 Marxville Toy Factory** for parts, yellow building with red trim, long ramp is missing some tabs, does not include front sign, rear ramp, (1) rear door, side door, accessories C-7 $15.00
MP170 Complete **074 Boulevard Lamp Post Box** only C-8 $2.50

MP171 **Maroon Square Roof** for the Plastic Switchman's Tower or the Barrel Loader C-8 $3.50

MP172 **2940 Switchman tower parts**, top section with 2 moving men, roof, glued staircase with a decal, Front window is missing C-7 $12.00

MP175 (5) Green Shrubs for the Plastic **Ranch House** C-8 $4.00

MP185 (4) unused Railroad Matchbooks which includes the **WM Crooks** Engine, $2.00

MP190 **2920** Plastic switchman's tower for parts, missing: figures, window, stair support, yard map, long rail clip is rough, remnants of a box, dirty C-2 $10.00

MP191 Red Plastic Railroad Station accessories, (2) different carts, park Bench, C-8 $6.00

MP192 Gray Plastic Railroad station accessories (2) long 2 wheeler baggage handcarts, (1) short 2 wheeler, (1) push cart, C-8 $6.00

Freight Car Loads and parts

MPL1 (MP94) Gray Plastic **Round Generator**/Motor Load used on the **39520** plastic flatcar, New $6.00 (not the diesel motor type)

MPL1A **Black** Plastic Round Generator $6.00

MPL2 (MP103) One **Bulldozer** for the 6160 HO flatcar, no treads $5.00

MPL3 (MP176) repro silver **stake body and canopy trucks** $8.00

MPL4 (MP181) original **Barrels** for the 574 and 2574 six inch barrel cars C-8 $21.00

MPL9 (2) Two K-Line autos, colors and makes will vary C-8 $4.00

MPL10 (5) different **Green Military Loads**, does not include the tank, $15.00

MPL12 Pair of **Tractor Clips**, C-7 or 8 $8.00

MPL15 **Red Truck Tractor** with friction motor, C-8 $75.00

MPL19 pair of **Airplane Wheels** $2.00

MPL20 Red Dump bin for a metal truck, repainted $6.00

MPL21 (1) **HO Cable Reel** for the yellow Erie 7210 flatcar brown with gray cable C-8 $10.00

MPL22 Off White Van, Dark Gray wheelsets Playset vehicle, C-7 $7.00

MPL24 Red Van, Cast Metal Wheelsets, playset vehicle, C-8 $9.00

MPL25 Blue Van, black wheelsets, C-7 $7.00

HO Parts

MP199 999 HO battery shell and frame, C-8 $6.00

MP200 new 6096 metal driver $2.50

MP201 new 6096 plastic driver $2.00

MP202 new 6096 plastic center driver $3.00

MP203 new 6096 plastic driver with a **traction tire** $4.50

MP204 brush plate & wheel contacts for the #20 switcher $4.00

MP205 20 Steam Engine Motor and Bare Frame C-8 or 9 $20.00 New Old Stock

MP206 new diesel motor mount bracket $2.50

MP207 new #20 upper motor bracket $2.00

MP208 new #20 lower pickup and gear bracket $2.50

MP209 new #10 diesel frame with couplers $7.50

MP214 Caboose hand rails, 1 long coupler pocket Coupler with spring and 1 truck C-8 $3.00

MP216 2 Tuscan Red HO Boxcar Doors C-8 $6.00

MP219 6096 Working Smoke unit and Plunger assembly C-7 or 8 $12.00 (smoke unit also fits WmCrooks)

MP223 HO Freight Car used Truck, Coupler Pocket With Spring, and Coupler C-7 $2.00

MP224 HO Caboose used Truck, Long Coupler Pocket With Spring, and coupler, C-7 $2.50

MP226 6096 Hudson Shell, includes Handrails No light, cast headlight C-8 $8.00

MP227 6096 Hudson Shell, includes Handrails. Working Light C-7 $8.00

MP229 **Marx HO Light Bulbs,** tested, these miniature bulbs have a rim at the bottom of the base, **$2.00 each:**
229B **Green,** used on accessories
229C **Red,** used on accessories

MP230 HO **Black Straight Roadbed Track** C-8 $1.50 a section

Serviced Electric Motors

Single Reduction and early diesel motors have the gear out to the edge of the wheel, and will only go through Marx switches.

Double Reduction Motors have the gear cut back from the edge and will go through other brands of switches

6 Wheel Motors, 400, 490 One-Way Motors, HO and All Misc. Motors

M20 3V DC Motor for a steam engine, 17 spoke drivers, side rods, switch handle is there, some frame rust, C-7 $14.00

M25 **HO Motor, 20 chassis** with motor and wheel pickups, C-8 $18.00

M26 **HO Motor,** New Old Stock, Large nylon 25 tooth gear, C-9 $18.00

M28 **Whistle Motor** for the Girard Station C-7 $18.00

M28A **Whistle Motor** for the small Union Station, 3V DC, C-7 $12.00

M30 **3VDC Can Motor,** includes front mount, C-8 $8.00

M30A Complete **3VDC motor assembly,** includes drivers, side rods, top switch, will fit a 401 steam engine, and others C-8 $19.00

M30B Complete **3VDC motor assembly**, includes drivers, no side rods, will fit 401 steam engine, and others, top switch C-7 $17.00

Double Reduction Motors

M66 1666, no Smoke or Reverse, Traction Tire, Straight Embossed Side Rods, C-7 $42.00

Mechanical Windup Motors

M1 **Early Reversable Motor**, Wheels are quartered, and soldered in place, Wide Commodore Vanderbilt front mount, repro key, C-6 $30.00

M2 Sparling Mechanical Windup Motor with Bell, Hollow Tinplate Wheels, have been quartered, Straight Side Rods, sparkler wheel is in nice shape, repro sparkler plate and Key, Setup for a **Commodore Vanderbilt**, C-7 $39.00

M5 **Late Style FM Diesel Motor,** Bell, includes the front mount, C-7 $22.00

M6 **Late Style Motor**, Black Motor Frame with 17 Spoke Wheels, No Side Rods, Bell or Sparkler, Includes a key C-7 or 8 $18.00

M7 **591** Wind up motor, correct front mount, Bell, No Side Rods, late style motor, repro key, C-8 $19.00

M8 **Late Style** with 17 spoke drivers, 401 type Side rods, with bell, no key C-7 or 8 $12.00

M9 **Late Style** wind up motor, regular mount, no side rods, does not include a key, C-6 or 7 $10.00

M10 **Commodore Vanderbilt** Mechanical Wind Up motor, Black Tinplate Drivers, No Side Rods, worn sparkler wheel, still works, includes a new key and sparkler plate, C-7 $34.00

M12 **Early Type Mechanical Wind-Up motor** with Black Hollow tinplate wheels, Narrow front mount for an **FM or M10,005** Diesel Engine, Square repro key, C-8 $36.00

Engine Shells & Parts

(Motor Mounts are Not Included.)

ES3 **1095 Santa Fe dummy A E-7 Shell**, all the steps are there, 3 holes drilled at the back, just a dumb idea I guess, plugged with epoxy, repro horns C-7 $10.00

ES4 **902 Western Pacific** Green and Yellow Dummy B Unit, 2 repro steps C-7 $12.00

ES5 **Union Pacific 1998 Shell,** back of cab is cracked and reglued, painted light gray, bent front handrail, C-6 $12.00

ES6 **Gray 1666 Shell**, no boiler front, Handrails, rear mount and drawbar are present, both steps are intact, horn is painted silver, bell is brass C-7$8.00

ES7 cousin **Hafner** Wind Up Steam Engine Shell, WRL 970 Black with Silver and Red trim, Indian on front, Wyandotte Railway, may be a later issue, C-7 $12.00

ES8 **2124 Budd Car Shell,** includes Dummy Truck, Figure Strips, (hole in one side) end skirt is missing, chip in center skirt, and other end, painted grill, one horn is missing lettering has spots missing, marker lights are there, C-5 $25.00

ES9 **Black Commodore Vanderbilt Shell**, complete With early pointed trim, black nameplates, no lamp bracket, includes bezel and rear plate C-7 $15.00

ES10 **Non-Smoking 1666 Shell.** Stripes are weak, crossplate at steamchest, C-7 $3.00

ES11 Complete Black **1666** shell, non - illuminated boiler front, Steps are there C-7 $12.00

ES12 Black **401** Windup Shell, C-7 $9.00

ES14 **Black 1666 shell,** has illuminated boiler front with contact, weak or chipped stripes, C-7 $12.00

ES15 **666** Shell with Illuminated Boiler front, C-7 $12.00

ES18 **490** Shell for a one-way motor, no rear coupler plate, sound clip and sound board are intact, C-8 $6.00

ES19 **490** Shell with rear coupler plate, for a deluxe motor C-7 $8.00

ES21 Complete **591** Shell, Cast Metal Boiler Front, for a Deluxe Motor C-7 12.00

ES65 **994** Shell, has the handrails, rear coupler, but no trim, C-7 $8.00

ES66 **994** electric shell, has been repainted, Complete, $9.00

ES67 Repainted Black **994** Shell, no trim, coupler has been painted, not a bad job, bell is there, $10.00

P146 **54099 Missouri Pacific Lines Stock Car,** Red, automatic, with action Cow, Type F Trucks, C-8 $32.00
P146B **54099 Missouri Pacific Lines stock Car**, Red, Action Car with Cow, front of cow platform is chipped, Type G trucks, C-7 $24.00

Track

2 Rail Mechanical Wind Up Track

X2 Early Bing Circle, 2 rail track C-6 $10.00

X3 Mfg. Unknown Circle, track is about 1 ½ wide C-6 $5.00
X6 2 rail straight black ties C-6 $1.50 each
X9 2 Rail 90 Degree Crossing C-8 $8.00
X10 Black Plastic 90 Degree Crossing C-8 $4.00
X12 Black Metal 2 rail 90 Degree Crossing With Black Track, some rust underneath, C-6 $4.00
X12A Black 2 Rail 90 degree crossing C-7 $6.00
X12B Plated 2 Rail 90 degree crossing, some plating remains, C-7 $8.00
X14 Tinplate Right hand 2 rail switch, some plating remains, C-7 $10.00
X15 (4) sections of tinplate 2 rail track C-6 $8.00
X16 (8) Curves and (2) Straights of 2 rail tinplate Plated track C-6 $20.00
X17 (8) Curves and (2) Straights of 2 rail track with black ties, C-6 or 7 $15.00
X18 (8) Curves, and (2) Straights of 2 Rail Track with black ties C-8 $20.00

3 Rail Electric Track

X22 **027 Curves**, ok to fill out a set box, dirty C-5 or 6 $1.00 each
X23 **027 Straights**, ok to fill out a set box, C-5 or 6 $1.00 each
X25 (12) Cleaned **027 Track Pins** $2.50
X25A (21) O - Gauge **Track Pins** $3.50
X25B (60) New O-Gauge **track pins** $12.50
X26 Prewar **027 Straights**, Silver Tinplate Ties C-6 $2.00 ea.
X30 **Plastic Roadbed Track:** includes (8) 027 Curves, (4) Straights, (1) Track Power section, (1) Uncoupler Section, Dirty, but not rusted, needs to be cleaned up, C-7 $26.00
X32 **601/4C** (4) 027 Straights C-10 $20.00
X35 (8) 027 Curves and (2) 027 Straights, **C-9** $30.00
X40 **Black Zinc Plated** 027 Track, (8) Curves, (2) Straights, uncoupler, C-7 $25.00
X41 We have a few new K-Line K-333 Larger **"O" Guage Insulated Straight** Track Sections C-9 $7.50
X42 (8) **027** Curves and (4) **027** Straights C-7 $24.00
X44 (8) **034** Curves C-7 $24.00
X45 (8) **034** 9" 5 Tie Straights C-7 $24.00
X46 (6) **034** 9" 5 Tie straights C-7 $18.00
X47 (8) **034** Curves, (4) 9" 5 tie Straights C-6 $24.00
X48 (8) **027** Curves, (3) **027** Straights, one Uncoupler Section, C-7 $26.00
X60 **Track Power Connector** C-7 $3.00

Switches, Wire, and Controllers

W1 **pair of switch motors** for plastic switches, includes all hardware, C-8 $10.00
W2 **610 Tinplate** prewar manual pair of switches, some plating remains, C-7 $12.00
W3A Plastic Switch **Controller** C-7 or 8 $6.00
W3B pair of 027 plastic switch motor covers, C-8 $3.00
W4 **610**, Metal Manual 027, Left hand, C-6 or 7 $4.00
W4A Pair of 610 Metal Manual Switches C-7 $10.00
W5 (3) Metal Electric Switches, Red Control Boxes, (2) Right hand, (1) Left hand, have been taken apart and oiled, work ok. Put back together with pop rivets, some repaint and rust, includes (2) metal controllers with tape marks C-5 $12.00
W6 Metal Switch **Controller**, C-6 or 7 $4.00
W6A Metal Switch **Controller**, C-8 $7.00
W6B Prewar Metal switch controller with the control button for the **Automatic Uncoupling Unit**, has scratches, solder on 1 terminal C-5 $6.00
W6C Prewar Switch Controller with **uncoupling control button**, missing 2 wire tabs, C-6 $6.00
W6D metal switch controller with **uncoupling control button** C-7 $10.00
W7 Metal Switch Controller with Original Wires And Transformer wire, C-8 $9.00
W7A **white** plastic control panel for HO switches, C-7 $7.00
W10 Plastic Right Hand Manual Switch C-7 $7.00
W10A Plastic Left Hand Manual Switch, C-7 $7.00
W12A Pair of Prewar Metal switches, (2) Separate Boxes, end flaps are still there, numbers: 1588 L.H. and 1589 R.H. Red control boxes, Inserts are there, C-7 $26.00
W14 **610** manual metal switch set, rust on bottom, Top is nice, original Box, unusual green lettering C-7 $16.00
W15 **740/C** Manual Plastic 027 Switch Set, C-10 $30.00
W16 **1740 Plastic Electric Switch Set**, includes wire, controller, and instructions, C-7 $30.00
W17 **740** Small radius (027) Plastic Manual Switch Set, Original Box and Packing C-8 $16.00
W18 **740** Pair of Small Radius (027) plastic Manual Switches, C-8 $12.00
W19 **640** Black Plastic Manual Switches, complete Box, (1957) C-8 $16.00
W20A **1590** Pair of Metal Switches, Red switch motor box, C-6 $18.00
W20B **1590** pair of Metal Switches, Black or Red switch motor box, C-6 or 7 $20.00
W20C **1590** Right Hand Switch, Red Box, C-7 $9.00
W20D **1590** Left Hand Metal Switch, Black Box C-7 $9.00
W20E **1590 Metal Switch set**, all Black, includes Controller, Instructions and Wire, C-8 $34.00
W20F **1590** Metal Left Hand Switch, Red Box C-7 $9.00
W20G **1590 Metal Switch Set,** Black Boxes, includes wire, controller, copy of instructions, C-7 $24.00
W21 **1590** Black Metal Switch Set, includes Controller and New Wire, Box may be missing A flap, C-8 $36.00
W21A Switch Motor for a plastic switch, includes terminals, C-8 $6.00
W21B **1610** Illuminated Black Metal Electric Switches, Metal Controller, Original Type Wires, copy of Instructions, C-7 $38.00
W21C **1610** Right Hand Illuminated Metal switch C-6 $20.00
W21D pair of 810 (034) manual plastic switches, C-7 incomplete box, (no sides) $30.00
W21E **1610 Illuminated Black Metal Switches,** includes Controller, original wire, repro transformer wire, copy of instructions, C-8 $50.00

Trestles and Bridges

W22 **Plastic Trestles** to Fill Out Your Set, let us know what number you need, **3** through **11** $1.00 ea. 1, 2 are $2.00 Each C-7 or 8
W23 Metal Trestle **Track Clip**, for plastic trestles , will be bent, or have light rust C-5 or 6 $0.25 each
W24 **Complete** set of **Black Plastic Trestles,** includes 48 track clips, C-7 $25.00
W25 set of **611 Metal Trestle Elevators**, includes original slotted carriage bolt and wingnut, original style attaching hardware, incomplete box, C-7 or 8 $12.00 each
W26 pair if **611 trestle elevators,** repro hardware, C-7 $8.00 each
W26A **612** (9) 4 1/2'" high Metal Trestles C-7 $45.00
W27 **1412 Complete Boxed Black Plastic Trestle Set,** Cardboard with Black Lettering, Includes the box of trestle clips, some water damage to corners of box, C-8 $35.00
W28 **1305 Solid Girder Bridges $12.00 each:**
W28A Silver with single Illinois Central Logo, Bridge is in decent shape, Rough Decals C-7
W28B Red Bridge with 2 Illinois central Logos On each side, chipped logos, C-7

W28C Black Prewar Illinois Central Girder Bridge, Logos are in decent shape, Thin Bottom, C-7

W28D Black Prewar Pennsylvania Railroad Girder Bridge, scratches inside, decals Are not bad, C-6

W28E Black Prewar Great Northern Girder Bridge, decals are decent, flaky paint Inside on black plated metal C-5

W28G Unusual Red Wabash Prewar Girder Bridge, Decals Appear dirty but are in Decent shape, bridge is rough, C-5

W29 **(11) Black Plastic # 1 Trestles** for extending the top layer of track, C-8 $20.00

3 Rail 90 Degree Crossings & Uncouplers

W30 027 Uncoupling Track Section C7 or 8 $7.00

W30A Uncoupler Only C-7 or 8 $5.00

W31 90 Degree 027 Metal Crossover C-7 $4.00

W31A 90 Degree 027 Metal Crossover, C-8 $6.00

W32 Prewar Tinplate 90 degree crossing with the plating intact, very nice C-8 $9.00

W33 Prewar Uncoupling Track Section with correct Controller, repro lamp cover, C-7 $15.00

W35 **607/C** 027 Crossover C-10 $20.00

Transformers & Circuit Breakers

(Transformers Include Track Connectors and Wire)

W61 Replacement **Handle** for the 25 Watt Transformer $1.25

406 Replacement **Handle** for the 150 Watt Transformer $8.00

129B New Vintage Replacement **Plug,** Non-Polarized, Rubber Cover is at a Right Angle $1.50

W36 **309 (25) Watt Transformer**., old style C-7 $18.00

W37 **309 (25) Watt Allstate Black Transformer** New style C-7 $18.00
